HARRY DENMAN FELLOWSHIP  
Application Form**

The applicant is requested to complete this form as fully as possible. The information will be handled confidentially. Essay questions should be answered on separate paper. **NOTE: Denman Fellowships will not be awarded for the 2010-2011 academic year.** All applications and supporting documentation for the 2011-2012 academic year must be postmarked by **January 20, 2011.**

Following review of applications, semi-finalists are chosen by March. Semi-finalists are asked to come for an in-person interview, after which time the new class of Fellows is selected and announced, usually by the end of April.

Prospective applicants should make sure their references can speak to the strength of the candidate for fulfilling the mission of the Fellows as well as the strength of their academic ability.

Essays and materials should also indicate an understanding of the mission of the Fellows, an emerging understanding of how they will contribute to the needs of the church and her institutions and the formation of students. Candidates are encouraged to talk with current Fellows to gain a better understanding of AFTE. While it does provide scholarship support, it is much more than a scholarship program. It seeks to be an ongoing fellowship of scholars and leaders.
